

March Musician of the Month

M C Grammar

British rap artist.

Key Facts

M C Grammar is a rap artist and a teacher.

He started rapping because he loves English and Music.

His real name is Jacob Mitchell.

His mission is to make learning fun.

He is the global ambassador for World Book Day.

Even though he only got 1 GCSE at school, he became an amazing, inspirational teacher and has won lots of awards.

M C Grammar went viral when he rapped "The Gruffalo" online to his young daughter.
