

PITMASTON POST

MOTIVATION

RC Class Assembly

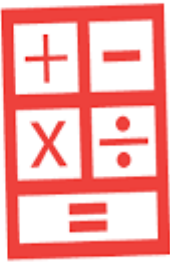

Wow! What a fantastic first assembly RC. The children have worked so hard over the last few weeks perfecting the assembly to show their grown ups and

what a success it was! What a way to celebrate our first year at Pitmaston Primary School. The grown-ups in RC are very proud- well done RC!

The Year 6 boys lost their first game of the season this week in a 5-1 defeat to Northwick. In tough conditions, the boys battled well and never gave up. After falling behind to an early goal, Travis scored a wonderful freekick to make it 1-1. As we searched for a goal to take us in to the lead, Northwick found spaces and scored four more goals without reply. I have been really impressed with the commitment and enthusiasm that the boys have shown this year. The sportsmanship that they have shown during our matches has been commendable and I am really proud of what they have achieved this year. Well done, boys!

Math Challenge

It is so important to regularly practise our times tables. Even a short amount of time each day really does make a difference! Your challenge for next week is to try and practise your times tables on TTRS every day for at least 5 minutes. If you think you have by the end of the week, ask your teacher to check and you can have an achievement sticker!

Congratulations to Arthur in 6S who has just been awarded his junior black belt in kickboxing. He has only been kickboxing for 2 years so this is a fantastic achievement. The grading for this belt was very tough - he had to travel to Birmingham and the assessment took an hour and a half. He is very proud of himself (as are we)! Well done Arthur - what an amazing achievement.

EYFS & KS1 'Stars of the Week' The stars of the week this week are 1C

RS Class Assembly

Wow! What a fantastic assembly by RS this morning all about The Three Little Pigs. The children all spoke so clearly and loudly and said their

lines so well. We had a fantastic Big Bad Wolf who blew down all of the houses. RS retold the story of the Three Little Pigs so well and have worked so hard to learn the story and actions off by heart. The RS team are very proud of each and every one of RS. We would like to take this opportunity to thank you for all of the support at home.

On Thursday, we were lucky enough to be visited by Anna Harris and some of our ex-pupils from CWLC to discuss all things Geography. We spoke about what Geography looks like after Pitmaston, shared information about some of our favourite lessons this year and used Digimap to explore locations around the world.

1W and 2W had a lovely time at the St Johns library this week. They learned about the different types of books that are available at the library and where to find them on the shelves. They also had some great discussions about favourite authors and enjoyed a story by Rob Biddulph. The children are keen to sign up for a library card and to get started on the Summer Reading Challenge.

Today, children from Year 5 represented Pitmaston at the RGS Maths Challenge. They divided into two teams to complete multiple challenges covering every area of Maths. This added up to super team work and marvellous individual skills and all children should take away with them a huge sense of achievement and pride! P.S. did you spot any maths words??

Transition Arrangements

We are looking forward to another successful transition week. This has proved to be very effective over the last couple of years at preparing the children for the changes in the Autumn Term. Transition will take place on Monday 1st July, Tuesday 2nd July, Wednesday 3rd July and Thursday 4th July. The children will return to their normal classes on the Friday. Year 6 will be at Christopher Whitehead Language College on Monday and Tuesday for their transition days and will be in school on Wednesday and Thursday, returning to their classes on Friday 5th July. The chart below shows which class your child will be moving to in September:

Existing Class	Class in September	Teacher
-	RC	Miss Cole
-	RW	Mrs Watson
-	RK	Mrs Keating
RC	1C	Mrs Cutler
RS	1M	Mrs Meredith
RK	1B	Miss Brewis
Y1	2H	Mrs Hallett (nee Miss Clarke)
Y1	2CL	Mr Clulee
Y1	2W	Mrs Williams
2C	3T	Miss Tipple
2W	3C	Mrs Chrimes
2CL	3BG	Mrs Browning and Mrs Genner
3C	4R	Miss Richardson
3BG	4H	Mrs Harber
3T	4J	Miss Jacobs
4HB	5S	Miss Smith
4HT	5T	Mrs Tidswell
4R	5H	Mrs Hartley
5S	6W	Miss Wakelam
5W	6L	Mrs Lock
5T	6WS	Miss Widdett and Mrs Sheehy

The website will be updated over the holidays to show the new classes for next year. The transition postcards are coming home with the children today but will also be available on the website class pages once completed. Please see Mrs Wilcock's update letter sent out today with further transition information.
