

National Poetry Competition

KS2 Winner - Faith Allen (3CL)

Freedom

I am as free as can be
To run around and just be me
I can make my own choice
Because I have my very own voice
Black or white - I don't care
We're all the same, let's be fair
Let's all be friends so help and share
And show the world how much we care
I think everyone should be free
But I'm afraid that's not up to me!

KS2 Runner Up - Harry Scott (5WB)

Free Flight

Birds flying elegantly in the sky,
Gracefully soaring way up high,
Riding the wind swiftly,
Diving down quickly.

Sailing on the breeze,
Dancing with ease,
Fluttering in flocks,
Hovering over docks.

Wonderfully seeking the warm,
In the protection of the swarm,
Flying over hills and sea,
Always wishing to be free.

KS2 Runner up – Nathan Greaves

Freedom

Football is freedom
Running all over the pitch,
Running there, running everywhere.
I'm only 10 years old and football is fun,
All the noise – I don't know where to run!

The crowd is loud,
I hear them cheer as I run down the wing.
Desperate to score,
Maybe 1, 2, 3 or 4?!

I'm over here!
I cheer.
I shoot.
I score.
Then I hear the crowd roar.
The final score is 4-0.
Hooray, hooray!
We won today.
St John's Colts are my team,
So I give out a massive scream!

KS1 Winner - Monty Bourne (1WM)

Freedom

The giraffe knew a bee,
The bee had a key,
To set him free.
Yipeeeeeeee!

KS1 Runner Up - George Thomas (1G)

Freedom

Freedom is talking,
Freedom running,
Freedom is playing,
Freedom is drawing.

KS1 Runner up – Lauren Wood (2M)

Freedom

I'm glad to be me
Because I am free
I can jump and skip
As high as I please
I can make up my mind
And make choices for me
I am glad to be me
Because I am free.
